

2016 Auction Catalog

Welcome to the 2016 St. Michael's School Spring Gala: The Rodeo Roundup. Tonight is about letting loose and having some good ole fashioned fun (and maybe even Old Fashion or two). There won't be any gun duels or horses in this saloon, but there's no objection to some hootin' and hollerin' and carryin' on. And, remember, we're here for our 158 students enrolled next year at St. Michael's School.

Our fun and your money is their benefit.

Thanks for your generosity.

Welcome!

Dear Friends,

Welcome to the 4th annual St. Michael the Archangel School Gala! This year's theme is Rodeo Round-Up! We truly appreciate your support and dedication in allowing us to provide an exceptional Catholic education to students across the Streator community. Without friends such as yourselves, St. Michael the Archangel School would not be as successful as we are today!

Did you know that, according to the U.S. Department of Education, Catholic School eighth grade students have outperformed their public school peers in both reading and math by an average of 20+ points for the past 22 years? That is amazing and something to be proud of! Through your generosity and support at our previous Gala's, we have been able to contribute to the academic success of our students with the implementation of an outstanding Robotics program as well as a new Math curriculum!

Tonight, we are asking you to help us remain true to our devotion to academic excellence and the creation of lifelong learners! All money that is raised will directly impact the students and teachers at St. Michael the Archangel School.

Again, I extend a sincere thank you to each and every one of you for your continued generosity and support of St. Michael the Archangel School! Because of you, we are able to provide a rigorous curriculum focused on instilling Catholic morals and values to students from Preschool through eighth grade. Thank you for making our dreams come true!

Dust off your cowboy hat, polish your boots, and HAVE FUN! This is a great opportunity to celebrate with our St. Michael's family!

Cheers,

Emily Blumenshine

Assistant Principal

Our Mission

As part of the vocation and Catholic mission of St. Michael the Archangel Church, St. Michael School is committed to the pursuit of teaching children to know, love, and serve God. St. Michael School works in partnership with parents to promote responsible Catholic Christian Virtues by instilling leadership capabilities that reflect Catholic values. We are devoted to academic excellence, and the physical and social well-being of each of God's children that inspires life-long learners.

Why Your Donation Is So Important

We truly appreciate your generosity and support of St. Michael the Archangel School! In an economy such as the one we are trying to overcome, your donations are more important now than ever! Every penny that is raised here tonight will directly impact the students at St. Michael the Archangel School. Your generosity will manifest itself throughout each classroom and within all students in Preschool through 8th grade! Donations of all sizes, big and small, will greatly influence the motto at St. Michael the Archangel School, Instilling Values...Inspiring Minds

Live Auction

We're excited for you to be with us this evening. Remember, this is the primary fund-raiser for St. Michael's School. Just like in Illinois, they say, "Vote early, vote often" – the same philosophy applies tonight. Bid early, and bid often! But most of all have fun!

Auction Rules

1. A bid is a legal contract. An auction number must be obtained to make a live auction bid. Bidders must be 21 years of age or older.
2. Payment for both live and silent auction packages must be made prior to your departure this evening. Payment may be made in cash, check, Visa, MasterCard, American Express, or Discover.
3. All sales are final. No refunds or adjustments will be made.
4. In the event of any dispute amongst bidders, the auctioneer reserves the right to determine the successful bidder.
5. Auction packages are subject to the limitations set by the donor of the package and we reserve the right to correct any printing errors in auctions description.

Tax Deductibility

The estimated retail value of each package will be provided for when you purchase the package. All Amounts in excess of this value may be deducted for tax purposes as a charitable contribution. Receipts are available.

Check-out Procedures

At the close of the evening (after the live auction), the cashier stations will be open in the Kay-See Club dining room. All silent auction and live auction items purchased will be available for pick up in the dining room at the cashier stations.

Saint Michael's School and the steering committee of the Rodeo Roundup reserve the right to remove, relocate, or edit any items or their descriptions found in this catalog.

Donated by Father Jacob Rose

Cash for a Cause

FAN1000 FAN500 FAN250 FAN100 FAN50 FAN25

This year's Cash for a Cause will assist two projects happening at St. Michael's School: technology in the classroom and the monitored building entrance system. The auctioneer will call out funding levels of \$1,000.00, \$500.00, \$250.00, \$100.00, \$50.00, and \$25.00. Each funding level matches a colored card with your bidding number on it which you received upon entry. Simply raise your card for the level you wish to donate. The amount will be reflected on your final receipt at the checkout station. If you prefer to make a silent bid, please send your contribution to St. Michael's School at 410 S. Park Street, with your check made payable to St. Michael's School – Cash for a Cause.

Technology in the Classroom

Each classroom at St. Michael's has WiFi capability and a Smart Board, enabling our teachers to use technology in the classroom to teach the generations of tomorrow. However, in order to make the best use of the technology in our classrooms and to enable our students to embrace technology to their fullest potential, we're asking for your help to upgrade the computers used by our teachers. Currently, many teachers use their own personal computers; others make do with a refurbished or older computer.

Our need for teacher computers is 13. We've already collected \$4,500 toward this technology upgrade, but we need your help to meet our goal. \$2,500 dollars more will purchase eight of the needed computers. Will you help us with five remaining machines to help us teach your students better?

Monitored Building Entrance

When you visit the school, you know of the video conferencing system that calls the main office to be admitted to the building. This system has been protecting our students and faculty for more than 10 years, and continues to do so. But if you've ever picked up your children from After Care, you know the stress of knocking on the door so that door can be opened and you can retrieve your children. Have you ever felt like that can be harder than your work day? With your help, the entire building entry system will be upgraded putting a new callbox at the front door entrance of the school building, and adding an additional new callbox at the After Care door.

Upgrading the security system to install the new entry point for the After Care will cost \$7,000. The total need for these two projects is \$13,500. We already have raised \$5,300 toward our goal, which makes our current need \$8,200. Through your kindness today, we can meet our goal and keep this vision alive.

ONLY \$20
Panning For Gold
Every play is a winner!!

1) Pick your cup
2) Pan for **GOLD**
3) Claim your prize

Donated by Drury Hotels

264

Little Giant Multi-Use Ladder - The Little Giant Alta-One Model 22 is the lightest 22-foot multi-use ladder on the market. The Alta-One is the ultimate in strength, safety and versatility. The hinge locks and telescoping sides let you safely use the Little Giant Alta-One as an adjustable extension ladder, A-frame ladder, staircase ladder, and as trestle-and-plank scaffolding system. Wide-flared legs, rubberized feet, and high-quality construction give you unmatched stability in any of its 33 unique configurations. Because it is constructed of aerospace-grade aluminum, the Alta-One is ultra-light and ultra-strong. The Alta-One is rated to hold up to 250 lbs. on both sides, so it's perfect for medium-sized jobs.

Donated by Friend of St. Michaels

266

“First Ferry” – This image captures the First Ferry of the day slowly making its way across Swiftcurrent Lake, located in the Many Glacier region of Glacier National Park. As Grinnell Point watches over the Ferry takes hikers to Lake Josephine in the southwest where they will begin a 7.6 mile. The Black and White image captures the beauty of the somber voyage travelers take as they make their way to the quickly disappearing Grinnell Glacier, one of several shrinking glaciers and snowfields that provide water for the streams that replenish the lake.

Donated by Erickson Photography, Morris IL

268
